

D.O. LETTER NO.RDBSOBMIS(MISC)/35/2020-BUILDINGS, Dated:28.10.2020

Dear Hon Khan Sir,

Sub: Restructuring of Districts - Transport, Roads and Buildings Department – Assets and Physical Infrastructure details for Construction of Integrated Collectorates Complexes (ICCs) and plan for transit accommodation – Regarding.

Ref: Memo No. RDBSOBIS(MISC)/35/2020 – BLDGS, dated 23rd Oct, 2020 of Transport, R&B Department.

--//--

You are aware of the proposal of the Government, for the Restructuring of Districts. Various Committees i.e., State Level Committee (SLC) chaired by the Chief Secretary, Sub Committees on various items to assist SLC and District Level Committees (DLC) are formed to take up the preliminary ground work for creation of additional Districts. Subject to final decision of the Government, it is decided in principle that the present Head Quarters of Parliamentary Constituency will be most likely be the Head Quarter in the proposed Restructuring of Districts.

2. In order to analyze the Assets and Infrastructure requirements in the proposed Restructuring of Districts, mapping of Present assets and physical infrastructure available at Revenue Division Level is essential. In this connection the Sub Committee on Assets and Infrastructure has developed formats for getting the details of vacant lands available with the Departments, the land along with built up space available and the details of leased spaces occupied by the Department. A portal <http://drp.ap.gov.in> is created by CFSS and provision is given for uploading the above information regarding all the departments at the Revenue Divisional Headquarters.

3. Detailed memo is sent from the Transport, Roads and Buildings Department to all the District Collectors, vide Memo Cited under Reference. It is requested to ask all the District Officers/ Divisional Officers to ensure uploading of the information with utmost care which will be useful to the District Level Committee (DLC) in planning the requirements of the new Districts.

4. In addition to the above, urgent attention is required to plan for the transit arrangement for accommodating Offices of District Collector, Superintendent of Police, District Judge and other District Level Officers of various departments as and when the notification is given creating new Districts. The Collectors are requested to identify vacant buildings belonging to any Government organization with sufficient built up space which may include Training Colleges/Guest Houses or any other vacant buildings. During similar exercise in Telangana State, it was informed that the Engineering Colleges which were closed on various counts were taken on lease for accommodating the District Collectorate and other offices. The Chief Secretary desired that the arrangements made for transit accommodation for District Collectorates, District Police Offices and District Court Complexes may be intimated to the Government at the earliest.

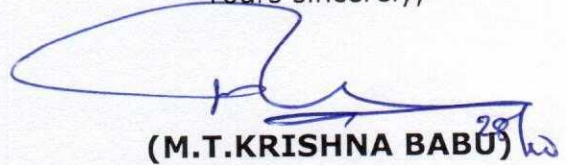

(....2)

5. It is also requested to identify various Government Lands, with minimum extent of five (5) acres so as to plan for construction of Integrated Collectorates Complexes (ICCs) accommodating all important District Offices at one place. Similarly vacant lands may be identified for locating District Police Office and District Court complex. The type design is being prepared and will be shared with you for suggestions. Similarly suitable vacant lands may be identified for planning residential accommodation to District Collector, Joint Collectors, SP, District Judge and other senior officers. The availability of the vacant sites for the above requirements may be intimated to Principal secretary (TR&B) at the earliest.

6. As you are aware that this will be time bound activity, I request you to bestow your personal attention on the above items and inform the details within the next two weeks.

With regards,

Yours sincerely,

(M.T.KRISHNA BABU)

To

Sri Chevuri Hari Kiran, IAS
Collector & District Magistrate
Dr.YSR Kadapa District.
